

Sonoma Raceway 2022 ET Points Series

The ET Racing Series is based on points collected at all 5 currently scheduled ET events. In the event that additional dates are added, it may change to a “Best of” format with 1 or more races dropped. The champions in each class receive a track gold card good for any ET Series event in 2023 as well as a championship jacket. The final points will serve to generate an ordered roster for the Division 7 Summit ET Finals in Las Vegas, to take place in October.

Race Dates:

Sat./Sun., January 15/16
Mon. May 30

Sat./Sun., July 2/3

Points Championship Entry Fee: \$25.00 per category

Collecting Points:

Points are collected at all events listed. Ties for first place will be broken by counting head to head races. If a tie still exists at that point, qualifying position (during ladder round) will be utilized.

We will be utilizing buybacks at some events. First round losers who desire may buy back and compete against the other buybacks. The winners will advance to round 2.

Points are earned based on the total number of rounds raced by the category. Racers who buy back will be given a one round deduction from the actual finish points.
