

The Wednesday Night Drags are a great way to learn to race or hone skills on a national caliber drag strip. All categories offer trophies to winner and runner up.

Vehicle Guidelines

- All vehicles must pass basic NHRA technical/safety inspection. Tech cards are to be completed with full name and address.
- All vehicles are limited to a maximum of 114.9 decibels as measured at the starting line.
- Pre-2008 vehicles running quicker than 11.50 (7.35 1/8 mile) must have an NHRA approved rollbar. ALL convertibles quicker than 13.50 (8.25 1/8 mile) are required to have an NHRA approved rollbar.
- Vehicles quicker than 10.00 seconds (6.40 1/8 mile) or 135 MPH and faster require a full roll cage and a certified chassis.
- All vehicles must be equipped with a coolant overflow bottle and a battery tie down. If the battery is relocated from the stock location, a shutoff switch is required.
- Anyone concerned about meeting vehicle requirements should reach out to the Dragstrip Manager, or consult the NHRA rulebook (available for purchase or free download) at [NHRA Racer](#).

General Pit Area Guidelines

- Alcohol and drugs are NOT permitted in the pit area on Wednesday Nights.
- Glass containers are prohibited.
- The speed limit on the return road is 15MPH; the speed limit in the pit area and staging lines is 5MPH.
- Pit vehicles (golf carts, scooters, quads, minibikes, etc) are not permitted on Wednesday Nights.
- Persons under age 16 are not permitted in restricted areas between staging lanes or race track.
